

WOMEN & REVOLUTION IN CENTRAL AMERICA

EL SALVADOR

GUATEMALA

NICARAGUA

Our Central American
sisters fight
They took up arms
against the right,
In Nicaragua Guatemala
and El Salvador
Along with men
they fight the war,
Not one battle
but two they juggle
Because as women
they also struggle.
In solidarity
along with you
we fight
Canadian action
we try to ignite,
As women your struggle
has just begun
But as sisters together
the war will be won.

En Nicaragua,
en Guatemala,
en El Salvador,
Nuestras hermanas
Centroamericanas

toman las armas
en contra del Opressor.
Junto a vuestro Pueblo
ustedes pelean la Guerra
y desde el seno mismo del Pueblo
ustedes luchan como mujeres
por su liberación.

Con ustedes luchamos,
por ustedes prendemos
una llama solidaria
en el corazon del pueblo Canadiense.
Como mujeres les decimos:
"Vuestra lucha recién comienza",
como compañeras les decimos:
¡Juntas ganaremos la Guerra!
