- |                                                                                                    |                                                                              |                                                           |
|----------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------|-----------------------------------------------------------|
| <p>I Unite!<br/>Come sisters let's join<br/>And then together<br/>We can fight for our rights.</p> | <p>II Feminists unite for<br/>Our freedom, peace<br/>And<br/>Sisterhood.</p> | <p>III Feminists<br/>Are everywhere,<br/>Let us join.</p> |
|----------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------|-----------------------------------------------------------|

**CELEBRATION**

Keep us strong  
And on the move,  
Help our visions  
To improve  
Give us hope  
Where others have failed  
To meet our needs.

**CHORUS**

Because all we want  
is peace and good health, and  
Redistribution of the wealth.  
Control of our bodies  
Control of our minds,  
A love of nature,  
And all womenkind.

Our politics  
Are clear to us,  
All we need is  
A party of trust.  
With our visions  
Come new decisions,  
Then onward we'll go,  
To achieve our goals.

The F.P.C.  
Has a celebration,  
To honour women  
Reshaping our nation.  
In hopes to change  
Before we're through,  
They're words for now  
But action too.

**CHORUS**

**MARYON KANTAROFF                      SPEAKER**

Maryon Kantaroff is a feminist and sculptor and member of FPC-PFC.

**WILLOW                                      SONGS**

This group of three women musicians and composers, Colleen McIlroy, Sharon Costello and Susan Martin come from London, Ontario.
