

You're right! It's been many moons since you've seen a newsletter. Here's why – we haven't seen a need for one, and perhaps we won't want to continue after this one. But right now, we have several pressing projects and **we need help!**

DISTRIBUTION, on a wider scale, of The Pedestal, is finally underway, but we have a long way to go. The paper has been placed in 25 stores (bookstores, groceries, etc.), but we have been discussing various (exciting ways of doing street sales, the universities, public meetings and events. It's really crucial to get a wider circulation outside of the subscription list in order to expand our distribution in stores.

To do this, we need hordes of women eager to do a few hours of distribution a month. Right now, there are three of us. If you have any ideas about distribution, or a few hours to contribute, please come to a distribution meeting on Sunday at 8 PM in the office. Next Sunday, Feb. 28, at 11 AM in the office.

THE CONFERENCE with the Indochinese Women (see The Pedestal, February issue) needs lot of women to help. See The Pedestal for whom to call or come to the regular planning meetings on Sunday at 2 PM in the office. And tell everyone about the International Women's Day programs.

DON'T FORGET that this month's General Meeting, where we find out what everybody's been doing, is this Thursday, Feb. 25, at 8 PM in the office. There will be a special report from the Theatre women on their demonstration at the Miss Teen-Age Canada semi-finals in Gastown on Sunday. (They're the women who tied a knot in Tiger's tail!)

WANT TO GET INVOLVED? Small discussion groups are forming in various parts of the city. West of Main, call Sandy, 732-9787. East of Main, Burnaby, etc., call Barb, 738-2073. North Shore, Surrey, Delta, call Anne, 988-0950. See The Pedestal for various workshop activities and meeting times.
