Lt. Col. I. Morrice,
Base Commander,
CFB Penhold,
Mynarski Park, Alta.
TOM INO

Dear Lt. Col. Morrice:

In December, 1984 we wrote inquiring if you had found out about the status of the Dental Plan and the possibilities of a spouse being mayor of a military community. To date we have received no reply.

We are still concerned about these points and would appreciate any information you may have on them.

Thank you for your help in this matter.

Yours truly,

L. Richardson / PSK
