Dear Mrs. Richardson:

Thank you for returning my phone call. Unfortunately, I was out of the office at the time and I presume you encountered some difficulty in calling again in the afternoon.

I believe you made some good points in your intended petition. However, there are difficulties with preceding as you have suggested. It may be possible to find a solution which is acceptable to both of us and I would appreciate the opportunity to discuss a possible course of action.

I consider it important for us to meet as soon as possible and certainly before the intended time of your petition on Monday, 6 April 1987, and I will make myself available at a time convenient to you during the week-end. I would appreciate your calling me at the house (Tel: 542-7025) at your earliest convenience.

Sincerely,

J.C. Fleming

Dear Mrs. Richardson:

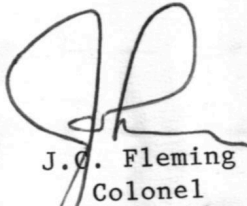

Thank you for your letter of March 23, 1987, wherein you advise your intention to circulate to spouses of military members living in the PMQs the petition which you enclosed by going door-to-door on April 6, 1987.

After careful review and with legal advice, I have concluded that your proposed activity constitutes political canvassing within the meaning of Article 19.44 of Queen's Regulations and Orders. Therefore, I am not at liberty to approve the conduct of such activity on CFB Kingston.

I regret that you were unable to agree to my proposal of April 3rd to meet with me to discuss possible alternative action.

I trust that I may count on your cooperation in not conducting your proposed activity on April 6th or at any time.

Yours truly,

J.C. Fleming
