Capt. Clendenning
Base Administration Officer
CFB Penhold

Dear Capt. Clendenning;

Thank you for your informative talk on October 20. Our members appreciated the time you took to inform them of important facts concerning military life. At that time you agreed to attend a workshop on November 20 to inform spouses of many other important areas within the military community. Our workshop had to be postponed and we asked you on two different occasions if you would be able to attend on December 4. You replied that it was with the Base Commander and that you would let us know. At this late date we have not received a reply. Could you please let us know why you have not as yet replied. Thank you.

Yours truly,

Mary Anne Jablonski
