

LORNA BOSCHMAN

feminist stand-up comedienne

Appearances can be deceiving! The woman you see before you has not always been so slender. She advocates Fat Women's Liberation with remarkable candor. And without the slightest bat of an eyebrow, she tells tales of lesbians in the high school daze. Hear the continued adventures of Mary "Q" Normal. And learn of shocking "hidden violence" in tin cans. All this and more! For more info, get in touch with Lorna Boschman, at 112 Spruce St., Toronto, Canada. Tel: 416-921-9091. Or contact your local Wages for Housework Campaign Office.
