KINESIS

July 9, 1985

Dear Bookseller;

We would like to introduce you to English Canada's oldest feminist newspaper, *KINESIS*. Published by the Vancouver Status of Women, *KINESIS* is available 10 times per year at the retail price of \$1.50.

The stories of women's lives becomes *KINESIS* headlines, month after month. Our pages have reported on the victories, defeats, activism and commitments of women across B.C. and often around the world. We're not an uptown, colourful, glossy magazine, but we don't want to be - we just want to keep getting the news out!

We often hear from women who want to see *KINESIS* for sale at their local newsstand/bookstore. *KINESIS* is already distributed throughout Vancouver and B.C., in Nova Scotia, Quebec, Manitoba, Ontario and Alberta and is available in the U.S.A. and New Zealand. The demand for *KINESIS* is increasing daily!

We want you to carry *KINESIS*! As a distributor of our paper (minimum of 5), you will receive copies at 40% off the retail price and be billed accordingly for the issues you sell. The masthead (with the date) should be returned for credit of any unsold copies. You will also receive a *KINESIS* promotional poster (16" X 22") for display in your store.

If you are interested in carrying *KINESIS* or would like further information, please contact us. We would be happy to hear from you.

Sincerely,

KINESIS Circulation
