

TORONTO
WOMEN'S
BOOKSTORE

The Toronto Women's Bookstore is a woman operated organization whose goal is to provide an extensive and comprehensive collection of material reflecting women's perspectives on the world — our past, present and future; our culture, bodies, relationships, problems and feelings. With this catalogue, we hope to reach out to women, who due to circumstance or geographic location, have little access to similar materials.

Mail order procedures and our discount policy are printed at the back. Please feel free to write to us if you have questions about our service.

Due to space limitations, we regret that we cannot list all of our titles. If you are able to visit our store you will find a large selection of fiction, science-fiction, mystery, poetry, fine arts books, records, posters and a delightful children's room. If you are interested in ordering books in the above areas, please send in your requests.

Sincerely,
Patti J. Kirk, Marie A. Prins and Joy Wilson
