**VIDA**

A NOVEL  
**MARGE  
PIERCY**

"I have just finished Marge Piercy's *Vida*. I think it is magnificent. There is much about it I admire — its craft, its structure, the carefully observed details of all the sensuous elements of life: smells, tastes, natural environments, people's clothes, stances, the look and feel of places. *Vida* herself is superb and utterly believable. I know it is a wonderful book; it may be a great one."
