PAUKTUUTIT BOARD OF DIRECTORS MEETING IN OCTOBER

By Rhoda Kayakjuak

The Pauktuutit Board of Directors met in Ottawa from October 18th-19th, 89, at the office of the Native Women's Association of Canada. During the two day meeting, they passed the following resolutions:

1) Resolution Calling on Provincial/ Territorial Governments to Hire Legal Aid Assistants -Whereas it is important that people in Inuit communities understand the law, legal terminology and their legal rights; Be it resolved that Pauktuutit calls on the governments of Quebec, Newfoundland-Labrador and the Northwest Territories to hire Inuktitutspeaking legal aid assistants/liaison workers to undertake public education and assist individuals in understanding the law, legal terminology and their legal rights.

2) Resolution on Social Services - Whereas social service personnel in some Inuit communities have developed a practice of overmonitoring single parents, thereby increasing the already high level of stress experience by these mothers; and a general lack of communication between social workers and the community and a lack of understanding of Inuit culture, values, and traditions on the part of non-Inuit personnel can affect the ability of social workers to make proper judgements in these situations; Therefore be it resolved that Pauktuutit encourages all social service personnel to be more sensitive to and supportive of single parents, including showing more respect for their privacy; and that all non-Inuit social service personnel undertake a cross-culturial orientation program.

To My Dear Family <u>in the North at Christmas</u> As I am sitting in the Ottawa office while Qalunaaqs' are preparing for X-Mas, I think of you, my dear family, preparing your own SPECIAL way for Christmas.

There is nothing like spending with my family and the community at Christmas in the North other than feeling like an outsider in the Southern Canada.

I think of the games; all night square dances; kids running around cheerfully praising and complimenting each other about their exchanged gifts and parents' admiration for their children; family laughter; local radio station loudly playing christmas Carols then interrupted by an outside callers who want to make a request to their love ones at christmas eve.

I will admit it...!

I miss you all and I wish you the very Merry Northerner Christmas.
