Our Congress as an outstanding organization in Ontario is dedicated to improving the welfare and status of black women and their families in our society.

Our participation and cooperation in our respective groups and in our region form the very essence of solidarity and growth that identifies our objectives as a whole.

Here is our opportunity for commitment and resolve in moulding the future for our children, and in creating harmony and contentment for ourselves.

Here also is the facility that provides the courage and the motivation to move in kinship and sisterhood towards a desired goal.

Ladies/Sisters - think for a while -

TOGETHER WE ASPIRE - TOGETHER WE ~~FAIL~~ *stand tall*
TOGETHER WE RISE AND MARCH FORWARD ONE AND ALL
