CONGRESS OF BLACK WOMEN

(Scarborough Chapter)

Second Annual Brunch at The North York Memorial Hall

June 11th, 1989

On behalf of the Scarborough Chapter of the Congress of Black Women of Canada, I welcome you to our 2nd Annual Brunch. To those of you who attended our first brunch thanks for your support and for those who are attending for the first time I hope to see you again next year. Let me emphasize your presence is most appreciated and it leaves me feeling positive as we continue our endeavour to function in this community.

The C.B.W.C. is an organization dedicated to helping Black Women and their families. Since the chapter was formed in 1985, we were involved in networking with other organizations who share our aims and objectives. We support education and leadership for our youths, and we are constantly recruiting new members in an effort to build this organization to the size that demands respect when we are lobbying for equality.

Like all organizations we need funds to function in our community. This brunch is only one of our Fundraising activities. We are constantly looking for effective ways of raising funds to meet the changing needs of our community. If you would like to get involved, we would be happy to hear from you.

Our 4th National Biennial Meeting was held at Halifax, Nova Scotia on the 5th, 6th, & 7th of May. Approximately 300 members across Canada attended, of which 16 were from the Scarborough Chapter. Workshops were held on

- 1) Racism as a health hazard
- 2) Blacks and the Justice system
- 3) Economic Empowerment and the Black Women
- 4) Young Black women - The Challenge
- 5) Black aging and Canadian

Our participation has helped us to strengthen the bond of sisterhood and we are now ready to engage in activities that will reap the rewards of involvement for the common cause of the Congress of Black Women of Canada with God's Blessing.

To one and all Bon Appetit.

Dolly Barran
President
