Dear Ellen:

Thank you so much for your participation in the First National Women's Running Conference. Your talk was one of the important factors in the success of the Conference and we appreciate the time and expertise you gave us.

As you know, this was the first National Women's Running Conference, and financial backing was difficult to obtain. However, we would like to offer you the enclosed honorarium, small as it is, for your involvement. We hope that through the contacts we made and the enthusiasm generated this year, we will bring more women to the next Conference and be able to repay the speakers their worth.

Thanks again for your part in the Conference and for the fine job you did. The evaluation forms are overwhelmingly positive on all aspects of the Conference, particularly the talks.

Sincerely,

Phoebe
