

## A CONTRACT FOR THE FINANCE INDUSTRY!

SORWUC (Service, Office & Retail Workers Union of Canada) has signed its first collective agreement covering employees in the finance industry. The contract covers three employees of the Electrical Trades Credit Union in Burnaby, and includes:

- \* Wages of \$875 per month for a 33 hour week
- \* No deduction of teller's cash shortages
- \* Holidays of 3 weeks plus 2 days in the first year of employment; 4 weeks in the fourth year; 5 weeks in the seventh year
- \* No arbitrary dress code
- \* Part-time employees entitled to all benefits on a pro rata basis

If three employees can bargain a contract like this, imagine what employees in the finance industry - banks, credit unions, trust companies - can do when we all join together! Think about it.
