

June 28, 1982

There will be a special meeting of the Womonspace membership on Tuesday, July 6 at 7:30 p.m. at Every Woman's Place, 9926 - 112 Street.

This meeting is to work towards finalizing and accepting the constitution. It is one of those tasks that is definitely not among anyone's favorite things to do, but, like housecleaning, it must be done. The constitution of an organization is the set rules we give ourselves. Once they have been accepted by the Governemnt, the organization that wrote them must abide by them. So, you see that if we want rules we can follow, we must try to write them well.

The other reason that this constitution must be finished as soon as possible is that without it we cannot apply for a liquor licence. And it follows, that without a liquor licence we cannot do dances.

We must have at least a third of the membership present to accept this contitution, so please come and be part of the group that gets this done.

We will try to start on time, if we have enough people, and we will not work at it more than two hours. That way, anyone who needs or wants to rest afterwards can still have a good portion of the evening for socializing either at the woman's centre or at the Club.

#### OTHER INFORMATION

Word is Out, an interesting documentary about gay men and women, is being shown at the Unitarian Church Hall, 12530 - 110 Avenue, on Thursday, July 22 at 7:30 p.m. It is being co-sponsored by Edmonton Lesbian Collective and Womonspace.

There will be a women's dance on August 14 at the Riverdale Community Hall. Further information will be posted at GATE, Every Woman's Place and Common Woman Books. This dance will be sponsored by Every Woman's Place and Womanspace will be helping out.

Holly near, a lesbian feminist singer-songwriter, will be performing at the Provincial Museum Theatre on July 13, at 7:30 p.m. Tickets are \$8.00 (\$10.00 at the door) and are on sale at Common Woman Books, Every Woman's Place, Mike's and Erewhon Books.

#### SOME OTHER THINGS TO KNOW ABOUT WOMONSPACE

We are growing all the time -- our membership has topped the 40 mark! Every woman who joins has ideas and that's just what we need. We are hoping to become all things social to all gay women in this city, so the more the merrier. We are getting to know each other and are making new friends, so come be a part of it all and bring your fiends. Without each of us, you and I, we can do nothing.

Our regular meetings happen the second Tuesday of every month at Every Woman's Place, 9926 - 112 Street.

See you soon.

In friendship and sharing,

President, WOMONSPACE
